

DA6240U

6-zone Adjustable Amplifier

Description

DA6240U has six zone outputs, with each volume adjusted individually. There are 2 AUX IN, 1 EMC IN, 2 MIC IN and 1 AUX OUT, the volume of AUX IN 2 and local MP3 is in the same group, and the volume of AUX IN 1, MIC 1, MIC 2 and EMC IN can be adjusted respectively. Moreover, MIC 1 and EMC IN enjoy the highest priority. This amplifier is widely applied to restaurants, gyms, hotels, etc.

Features

- 6-zone outputs, with each volume adjusted individually, output voltage being 100V.
- 2 AUX IN, 1 EMC IN, 2 MIC IN and 1 AUX OUT; Cascaded to another amplifier.
- Volume of AUX 2 and local MP3 is in the same group; AUX 1, MIC 1, MIC 2 and EMC IN have individual volume adjustment.

Specifications

Model	DA6240U
Output Rated Power	240W
Power	AC220V/50Hz
Power Cord	1.0mm ² /1.5m
AUX Sensitivity	-12dB
Sensitivity	-40dB
Treble and Bass	±10dB
Harmonic Distortion	THD≤ 0.1%
SNR	≥ 70dB
Aux Out	0dB
Working Temperature:	-5°C~ 80°C
Operating Humidity	20%~80%, no dew
Product Dimensions	483×410×90mm
